Lancer Foundation - Director

Full time positions in body corporates      Worldwide Container Trading Private Limited- Executive Director

**Brief Profile**

Mrs. Heena Shaikh is a dynamic and accomplished professional with an MBA specializing in Finance. She currently serves as the Director of Lancer Container Lines Ltd. and its wholly owned subsidiary, Worldwide Container Trading Private Limited, where she leads and oversees container trading services with a strong focus on operational efficiency and business growth.

Since joining Lancer Container Lines Ltd. in 2014 as a fresher, Mrs. Shaikh has steadily progressed into a key leadership role within the organization. Over the years, she has played an integral part in strengthening core operations and expanding the company's presence in global logistics and container trading space. She also heads the operations of Lancer's Container Yard in Navi Mumbai, ensuring seamless execution and maintaining high standards in logistics management.

Known for her decisive leadership style and strategic approach to business development, Mrs. Shaikh brings expertise in logistics management, financial analysis, and operational excellence. Her ability to manage end-to-end trading operations and build long-term relationships has contributed significantly to sustained business growth and organizational success in the global supply chain and logistics industry.
