|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| I. Fill up the data: Navigate to each field of every section in the sheet to provide applicable data in correct format. (Formats will get reflected while filling data.)<br>- Use paste special command to paste data from other sheet.                                                                                                                                                                                                                                            |
| II. Validating Sheets: Click on the "Validate " button to ensure that the sheet has been properly filled and also data has been furnished in proper format. If there are some errors on the sheet, excel utility will prompt you about the same.                                                                                                                                                                                                                                   |
| III. Validate All Sheets: Click on the "Home" button. And then click on "Validate All Sheet" button to ensure that all sheets has been properly filled and validated successfully. If there are some errors on the sheet, excel utility will prompt you about the same and stop validation at the same time. After correction, once again follow the same procedure to validate all sheets.<br>Excel Utility will not allow you to generate XBRL/XML until you rectify all errors. |
| IV. Generate XML : Excel Utility will not allow you to generate XBRL/XML unless successful validation of all sheet is completed. Now click on 'Generate XML' to generate XBRL/XML file.<br>- Save the XBRL/XML file in your desired folder in local system.                                                                                                                                                                                                                        |
| V. Generate Report : Excel Utility will allow you to generate Report. Now click on 'Generate Report' to generate html report.<br>- Save the HTML Report file in your desired folder in local system.<br>- To view HTML Report open "Chrome Web Browser" .<br>- To print report in PDF Format, Click on print button and save as PDF.                                                                                                                                               |
| VI. Upload XML file to BSE Listing Center: For uploading the XBRL/XML file generated through Utility, login to BSE Listing Center and upload generated xml file. On Upload screen provide the required information and browse to select XML file and submit the XML.                                                                                                                                                                                                               |

| 6. Fill up the Shareholding Pattern                                                                                                                              |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Cells with red fonts indicate mandatory fields.                                                                                                               |
| 2. If mandatory field is left empty, then Utility will not allow you to proceed further for generating XML.                                                      |
| 3. You are not allowed to enter data in the Grey Cells.                                                                                                          |
| 4. If fields are not applicable to your company then leave it blank. Do not insert Zero unless it is a mandatory field.                                          |
| 5. Data provided must be in correct format, otherwise Utility will not allow you to proceed further for generating XML.                                          |
