Time to Time involvement of Top Management results in quick decision-making to serve trade with the ever-changing demands of customers in this volatile market.

3 LCM Projects Private Limited

LCM Project offers services for Project Cargo, Bulk and Break Bulk, and Freight Forwarding for both Air and Sea.

Lead by a team of over 3-decade experience in handling multiple projects, we ensure an on-site team presence for the project in case of Project and Break Bulk operation to make sure safe handling of High-Value Cargoes on behalf of our clients. The company is also capable of handling air freight operations around the globe.

The LCM project has HQ in Mumbai and branches in Cochin & Tuticorin and now planning to open in 3 different locations: Chennai, Hyderabad & Ahmedabad.

LCM project delivers a highly proactive approach and has gained an immense reputation after evaluating and offering the best of services to all customers' needs and requirements.

Presently LCM projects want to concentrate on breakbulk activities in the business.

CIS Connect Global Logistic Private Limited

2

The CIS Connect Global logistics is to serve our treasured clients in the demanding market where we are experts in delivering cargo over multiple countries despite the unsettled conditions across borders.

- Block train/Open train, project cargo handling, customs clearance, local transportation, soc handling, and ocean freight forwarding, are the major services offered by CIS connect.
- By using a combination of sea, road, rail transport, and air in case of delicate/emergency cargoes, the consignment will get delivered to & fro CIS countries from various parts of the globe safely and securely at the Customer's doorstep.
- CIS connect will now focus on oversized cargo shipments and our employees will effectively plan the whole transit in a professional way.
- In a difficult time during a war situation, we were actively delivering humanitarian cargo in these difficult terrains.
- In our future arrangements, we are planning to build an overseas office in CIS Country. Also, our main mission is to connect a network of CIS countries with the Gulf, Indian Subcontinent, and Southeast Asia.

KMS Maritime India Private Limited

4

KMS Maritime India Pvt Ltd is one of the growing NVOCC Agents & International Logistics providers in India. It's a fully-owned subsidiary company under Lancer Container Lines Ltd.

Chairman's Message

Dear Shareholders,

At the onset, I would like to thank you for your trust in our management team to steer our company in these challenging times. We are happy to share with you that we are progressing positively on our endeavour to create a world class, one stop global logistics company with continued focus on profitability and healthy balance sheet.

Focusing on our vision & mission, we have shown remarkable growth in FY22 and continue to be ambitious for the coming years. This will be accomplished by utilizing our strengths and persistent efforts to penetrate markets in newer geographies, expanding teams and increasing TEUs. Further, we aim to

focus on providing value added services to customers thereby deepening customer relations and keeping them more satisfied.

On the business front, this financial year we have clocked revenues of ₹ 6,415.02 Mn, up 104.95% compared to the previous year mainly driven by our NVOCC as well as shipping and freight forwarding business. On the profits front, this financial year we achieved a Profit after Tax (PAT) of ₹ 289.52 Mn, 198.16% higher compared to ₹ 97.1 Mn in FY2020-21. We remain optimistic about the business and the industry in which we operate. Our robust balance sheet now provides us with the necessary flexibility to maximize future growth and in this direction, the Board of Directors have approved the board

resolution dated 30th August 2021 for issuing FCCB of upto USD 100 million from time to time.

The constantly changing economic environment both domestically and internationally are laced with challenges and at the same time provides opportunities. Our company operates in a sector which has deep inter-linkages with the overall trade and growth of India. Within India, The Government's increasing focus on the development of the logistics sector through the implementation of GST and other initiatives such as Make in India, Digital India and upcoming National Logistic Policy will propel the growth momentum of the Logistic sector. These initiatives provide huge impetus for the economy and will bring in investments, business and consequent growth opportunities in the foreseeable future. As per Industry reports, India's logistics market has been growing at a rapid pace and is expected to reach US\$ 330 billion by 2025. This expansion will be supported by several factors, including the fast-developing e-commerce industry, impending technical advancements and an expanding retail sales market.

While we remain confident of our own capabilities to be able to deliver and contribute in this growth, its important to take only calculated risks and strive towards growth that is both responsible and sustainable.

The regional market expansion including demand for cargo transportation via ports, new deal wins, growing trade agreements, rising demand for specialized shipping containers, and automation in container shipping uplifting the growth of the container market will allow us to improve our market share in container traffic movement.

As we continue our journey into the new financial year, with the support of our team members, I look forward to carrying the continuous momentum of growth and growing the company further in domestic and international markets. Thank you for your constant support and continued faith placed in us.

Stay Safe

10. Members who need assistance before or during the AGM, can contact NSDL on evoting@nsdl.co.in / 1800-222-990 or contact Ms. Soni Singh, Assistant Manager – NSDL at sonis@nsdl.co.in /022-24994559 or Ms. Sarita Mote, Assistant Manager- NSDL at saritam@nsdl.co.in / 022-24994890.
11. Members are encouraged to express their views / send their queries in advance mentioning their name demat account number / folio number, email id, mobile number at secretarial@lancerline.com. Questions / queries received by the Company till 5.00 p.m. on September 28, 2022 shall only be considered and responded during the AGM.
12. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
13. Members will be able to attend the AGM through VC / OAVM or view the live webcast of AGM provided by NSDL at <https://www.evoting.nsdl.com> by using their remote e-voting login credentials and selecting the link available against the EVEN for Company's AGM. Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned below in the Notice.
14. The Company reserves the right to restrict the number of questions and number of speakers, depending on the availability of time for the AGM

15. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company / Registrar of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts.
17. The Register of Members and Share Transfer books will remain closed from 24th September, 2022 to 30th September, 2022 (both days inclusive) as per section 90 of Companies Act 2013.
18. In compliance with Section 108 of the Act, read with corresponding rules, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations'), the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) service facilitated by the National Securities Depository Limited (NSDL). Members who have voted through remote e-voting will be eligible to attend the AGM through VC/ OAVM and participate there at. However, they will not be eligible to vote at the AGM. If any Votes are cast by the members through the e-voting available during the AGM and if the same members have not participated in the meeting through VC/ OAVM facility, then the votes cast by such members shall be considered invalid as the facility of e-voting during the meeting is available only to the members attending the meeting. The instructions for e-voting is mentioned in point No. 25 of this Notice. The Board has appointed Ms. Geeta Canabar (M. No. 8702), Proprietor of M/s. Geeta Canabar & Associates, Practicing Company Secretaries (Membership No. FCS 8702 & COP No. 8330), as the Scrutinizer to scrutinize the e-voting / ballot process / poll in a fair and transparent manner
19. E-voting commences on Tuesday September 27, 2022 (9:00 a.m. IST) and ends Thursday September 29, 2022 (5:00 p.m. IST). During this period, members holding shares either in physical or dematerialized form, as on the cut-off date, i.e. September 23, 2022 may cast their vote electronically. A member will not be allowed to vote again on any resolution for which the vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. September 23, 2022. E-voting rights cannot be exercised by a proxy, though corporate and institutional shareholders shall be entitled to vote through their authorized representatives with proof of their authorization. The e-voting module will be disabled by NSDL for voting after Thursday September 29, 2022 (5.00pm).
20. Electronic copy of the Annual Report for FY 2021-22, the Notice of the 11th AGM and instructions for e-voting, is being sent to all the members whose email IDs are registered with the Depository Participants(s) for communication purpose. The Company has not printed the Annual report and hence no hard copies of the Annual report will be provided. Members may also note that the Notice of Annual General Meeting and Annual Report for FY 2021-22 is available on the Company's website www.lancerline.com.
21. Since the securities of the Company are compulsorily tradable in electronic form, to ensure better investor service and elimination of risk of holding securities in physical form, it is requested that the members holding shares in physical form to get their shares dematerialized at the earliest. The SEBI vide Gazette notification dated June 8, 2018 under Regulation 40 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 has mandated that transfer of securities would be carried out in dematerialized form only.
22. Members are requested to notify immediately any change in their address / bank mandate to their respective Depository Participant (DP) in respect of their dematerialized holdings and to the Company's Registrar & Share Transfer Agent at Bigshare Services Private Limited 1st Floor, Bharat Tin Works Building, Opp. Vasant Oasis, Makwana Road, Marol, Andheri East, Mumbai 400059, in respect of their physical share folios.
23. Additional information, pursuant to Regulation 36 of the Listing Regulations, in respect of the Directors seeking reappointment at the AGM, forms part of the Notice.
24. **Green Initiative –Registration of E-Mail address**

The Ministry of Corporate Affairs ("MCA") Government of India, through circular No.17/2011 dated 21st April, 2011 and Circular No.18/2011 dated 29th April 2011, has taken a green initiative for corporate governance. The members are requested to register e-mail address with the Depository Participant/ the Registrar and Share Transfer Agent of the Company, i.e. Big Share Services Private Limited, as the case may be, for service of documents. We urge members to support our commitment to environmental protection by choosing to receive their shareholding communication through email. You can do this by updating your email addresses with your depository participants.

25. Instructions for E- Voting

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER: -
The remote e-voting period begins on Tuesday, 27th September, 2022 at 9:00 A.M. and ends on Thursday, 29th September, 2022 at 5:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 23rd September, 2022, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 23rd September, 2022.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
--	--

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at above mentioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

**B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.
How to Log-in to NSDL e-Voting website?**

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/ Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#)" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to geetacs@hotmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to secretarial@lancerline.com.
2. Annexure I (to Director's Report)**SECRETARIAL AUDIT REPORT**for the financial year ended 31st March, 2022**[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

To,
The Members,
LANCER CONTAINER LINES LIMITED
Mayuresh Chambers Premises, Co-Op. Society Ltd
Unit No. H02-2, H02-3 & H02-4, Plot No. 60,
Sector-11, Belapur, Navi Mumbai-400614

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **LANCER CONTAINER LINES LIMITED** (herein after called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion, the Company has, during the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2022 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 ("FEMA") and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (up to 12th August, 2021) and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (with effect from 13th August, 2021); **(not applicable to the Company during the audit period)**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (upto 15th August, 2021) **(not applicable to the Company during the audit period)**
 - f. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;(with effect from 16th August, 2021) **(not applicable to the Company during the audit period)**
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(not applicable as the Company is not registered as Registrars to an Issue and Share Transfer Agents during the audit period)**
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (up to 9th June, 2021) and The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (with effect from 10th June, 2021); **(not applicable to the Company during the audit period)** and
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018**(not applicable to the Company during the audit period)**
 - j. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We further report that; the Company has complied with the following laws applicable specifically to the Company:

- a) The Multi-modal Transportation of Goods Act 1993 (MTG Act)
- b) The Indian Carriage of Goods by Sea Act 1925 (COGSA)
- c) The Carriage by Road Act 2007 (Carriage by Road Act)
- d) International Maritime Dangerous Goods Code (IMDG Code)

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI);
- ii. The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited ("BSE Ltd.") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that: -

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors including a Woman Director and Independent Directors. No changes in the composition of the Board of Directors took place during the period under audit. However, there was resignation and appointment of *Company Secretary- Compliance Officer* during the period under review.
2. Adequate notice is given to all directors to schedule Board and Committee Meetings. Agenda and detailed notes on agenda were sent adequately in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting(s) and for meaningful participation at the meeting(s).
3. All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that:

1. There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
2. There was no prosecution initiated against the company during the year under review.
3. During the year under review, the Company paid Dividend to non-promoter shareholder of Re. 0.50 (Fifty Paise only) per share on equity shares of Rs 10 each in accordance with the section 123 of the Companies Act, 2013.
4. During the year under review, the Company has allotted 2,00,94,080 Bonus Shares on proportionate basis through the stock exchange mechanism as prescribed under SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and Section 63 of Companies Act, 2013 to all the existing shareholders of the Company.
5. During the year under review, a Wholly Owned Subsidiary Company "Lancia Shipping LLC" was formed in Dubai.
6. During the year under review, a Special Resolution was passed in the Annual General Meeting dated 29th September, 2021 for issuance of Foreign Currency Convertible Bonds (FCCB).
7. During the year under review, a Special Resolution was passed in the Annual General Meeting dated 29th September, 2021 to increase the borrowing limits of the Company under Section 180 (1) (c) of the Companies Act, 2013 and under Section 180(1) (a) of the Companies Act, 2013 for creation of charge on the movable and immovable properties of the Company, both present and future in respect of borrowings upto Rs 1000 Crores.

Managing Director &

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Clause 49 of the Listing Agreement and Regulation 34 (3) and Schedule V (C) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015).

"The Literal meaning of Corporate Governance is the system by which Companies are directed and controlled. However, Lancer Container Lines Limited also understands this term as pursuing intellectual honesty, holding balance between economic and social goal and individual and communal goal."

Corporate governance is the combination of rules, processes or laws by which businesses are operated, regulated or controlled. The term encompasses the internal and external factors that affect the interests of a company's stakeholders, including shareholders, customers, suppliers, government regulators and management. It essentially involves balancing the interests of a company's many stakeholders, such as shareholders, senior management executives, customers, suppliers, financiers, the government, and the community.

In compliance with Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended from time to time, the Company submits the Corporate Governance Report for the year ended March 31, 2022.

1. Company's philosophy on code of governance.

The Company is committed to the letter and spirit of corporate governance and is in compliance with the corporate governance norms as prescribed by SEBI. The Company has laid a strong foundation for Corporate Governance by constituting a Board with a balanced mix of experts of eminence and integrity, forming a core group of top level executives, inducting competent professionals across the organization and putting in place appropriate systems, process and technology.

The detailed report on Corporate Governance as per the format prescribed by SEBI (LODR) Regulations, 2015 as applicable to the Company is set out below:

2. Board of Directors

- a. The Company is fully compliant with the Corporate Governance Norms in terms of constitution of the Board which is well blended with a good combination of Executive and Independent Directors. The Board has complete access to any information within the Company & to any employee of the Company. Pursuant to SEBI (LODR Regulations), the Board meets at least once in every quarter to review quarterly/annual results and other items on the agenda and the gap between two board meetings is not more than 120 days. The Board is apprised and informed of all important information relating to the business of the Company.

As on March 31, 2022, strength of the Board of Directors was six and the composition is given below:

- Promoter, Chairman & Managing Director- 1
- Executive Director -2
- Independent Directors – 3

During the financial year ended March 31, 2022, (7) Seven Board Meetings were held. The dates of board meeting held during the year are as follows: May 10, 2021; June 24, 2021; August 12, 2021; August 30, 2021; October 18, 2021; November 12, 2021; February 11, 2022;

- b. Attendance of Directors at Board Meetings during the financial year and the last AGM and Number of Directorships/ Committee positions of Directors as on March 31, 2022, are stated below:

Name of the Director	Category	No. of Board Meetings attended	Relationship between Directors inter-se.	Attendance at last AGM held on 29Sept 2020	No. of Directorship in other Companies	No. of committee positions held in other Companies
Abdul Khalik Abdul Kadar Chataiwala	Promoter – Chairman & Managing Director	6	NA	Yes	4	NIL

Suresh Babu Sankara	Independent Director	7	NA	Yes	1	NIL
Narayanan Moolanghat Variyam	Independent Director	5	NA	Yes	NIL	NIL
Amol Mohan Shirke	Whole-Time Director	6	NA	Yes	5	NIL
Praful Jain	Whole-Time Director	6	NA	Yes	5	NIL
Ameeta Ramesh	Independent Director	6	NA	Yes	0	NIL

- c. The Familiarization program for Independent Directors is available at the link <https://www.lancerline.com/uploads/investor/2e495f515032430e1f7ced107c8ed9b9.pdf>
- d. Chart - Core Skills/Expertise /Competencies

Director	Core Skills/Expertise /Competencies			
	International Trade & Logistics	Business Growth & Development	Financial acumen	Corporate governance
Abdul Khalik Chataiwala	✓	✓	✓	✓
Suresh Babu Sankara	✓	✓	✓	✓
Ameeta Ramesh	-	-	✓	✓

No extraordinary general meeting was held during the year 2021-2022. There were no Special resolutions passed by Postal ballot. There are no special resolutions proposed to be passed through Postal ballot in this meeting.

Procedure of postal Ballot

For the conduct of Postal ballot, in compliance with Section 108 and 110 and other applicable provisions of the Companies Act, 2013, read with the related Rules, the Company provides electronic Voting (E-Voting) facility, in addition to physical ballot, to all its members. For this purpose, the Company has engaged the Services of NSDL.

The Postal Ballot notices and forms are dispatched, along with Postage-prepaid business reply envelopes to registered members/ beneficiaries. The same is sent by email to members who have opted to receive communication through electronic mode. The Company also publishes a Notice in the Newspaper declaring the details and requirements as mandated by the acts and applicable rules.

Voting rights are reckoned on the paid-up value of the shares registered in the name of the members as on the cut-off date. Members who want to exercise their votes by physical postal ballot are requested to return the forms, duly completed and signed, to scrutinizer on or before the close of the voting period. Those using the e-voting option are requested to vote before the close of business hours on the last date of e-voting.

The Scrutinizer completes his scrutiny and submits report to chairman, and the consolidated results of the voting are announced by the chairman/ Authorized Officer. The results are also displayed on the Company website, www.lancerline.com, besides being communicated to the stock exchange, depository and registrar and share transfer agent. The last due for the receipt of postal ballot forms or e-voting is the date on which the resolution would be deemed to have been passed, if approved by the requisite majority.

11. Means of Communication

The quarterly, half-yearly, nine-monthly and annual financial results of the Company are disclosed on Company's Website (www.lancerline.com) and disclosed to BSE Limited on their website (www.bseindia.com) immediately after they are approved by the Board and the results are published in the Financial Express (English Newspaper) and Loksatta or Mumbai Lakshadweep (Marathi Newspaper). The Company releases its official news in the form of Press releases, Investor / analyst presentations to BSE India at their website (www.bseindia.com) and on the Company's website at (www.lancerline.com – Investor relations tab).

The Board of Directors,
Lancer Container Lines Limited

In compliance with Regulation 17 (8) read with Schedule II Part B of the SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015, we hereby certify that:

- A. We have reviewed financial statements and the cash flow statement for the financial year ended on March 31, 2022 and that to the best of their knowledge and belief:
- (1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (2) these statements together present a true and fair view of the listed entity's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transaction entered into by the listed entity during the year ended March 31, 2022 which are fraudulent, illegal or violative of the listed entity's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of Company's internal control system of the listed entity pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the Auditors and the Audit Committee:
- (i) that there are no significant changes in internal control over financial reporting during the quarter and year ended;
 - (ii) that there are no significant changes in accounting policies during the quarter and year ended; and hence there are no disclosures to be made regarding the same in the notes to the financial results; and
 - (iii) that there are no instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the listed entity's internal control system over financial reporting.

MANAGEMENT AND DISCUSSION ANALYSIS REPORT

Industry Structure & Developments

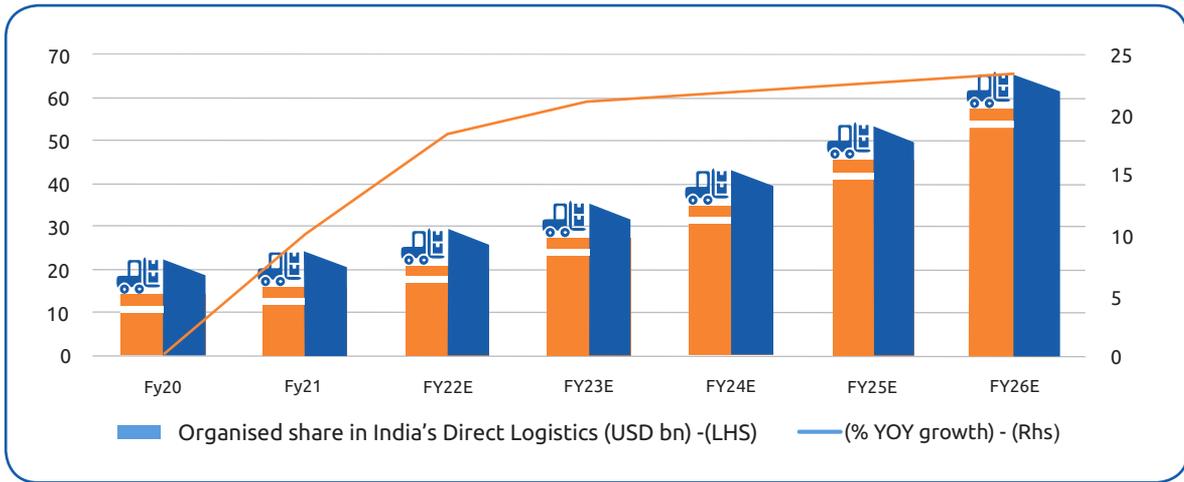

India's logistics market is expected to expand at an annual CAGR of 8% over the next five years, reaching USD 330 billion by 2025. This expansion will be supported by several factors, including the fast-developing Ecommerce industry, impending technical advancements, and an expanding retail sales market.

The Indian logistics industry has been gaining traction in the last few years and plays a very important role in facilitating trade and thereby propelling the growth of the Indian economy. Several factors such as - improving infrastructure nationwide, opportunities in emerging markets & channel alliances, urbanization, faster adoption of newer technologies & digitalization, increased consumer preference for the reduced delivery time, and deployment of innovative techniques for a fast delivery of products are all playing the role of a catalyst in fueling the growth of the logistics industry in India.

As of now, the logistics sector is dominated by transportation which has over 85% share in value terms- its share is set to remain high for the next few years. The rest 15% share is borne by storage (Warehouse). The sector is employment intensive, absorbing 22 million people.

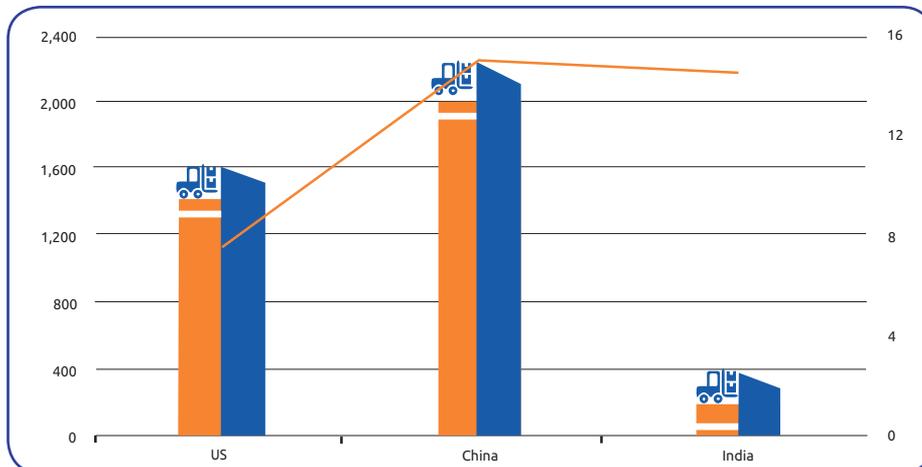

The Indian logistics industry is highly fragmented and unorganized. It remains fragmented, with the organized players accounting for approximately 10% of the total market share.

Organized share in India's direct logistics cost to grow at a much faster pace

The logistics theme revolves around formalization of the Indian economy, with GST being a big driver. Traditional logistics chain involved customers approaching transporters who would coordinate with truckers through brokers to transport goods and services. Brokerage charges tend to be 3-8% of rates booked for the cargo. Organized players have eliminated the broker and they are directly reaching out to truckers, leading to improved margins. The overall direct logistics cost should see the organized share rise to 19%, from 10%, implying a 20% CAGR, similar to the past five-year trend.

India's logistics spend is 14% of GDP vs 8% and 15% for US and China

Logistics costs is 7-9% of GDP in developed countries like US and Germany. Good infrastructure and efficient paperwork keep indirect logistics costs like inventory carrying, pilferage and wastages at a low. Minister of Commerce and Industry Piyush Goyal stated India targets dropping logistics costs to less than 10% of GDP from the current 14-15% in the next five years.

Container Market:

Container shipping companies' performance to remain strong in 2022 as container freight rates stay exceptionally high – despite some moderation since February 2022, due to port congestion stemming from the prolonged Covid-19-related operational disruptions. The contracts which are already signed to secure capacity for 2022, which were likely at higher freight rates than in 2021, will support container-shipping performance. New vessel deliveries will not be large enough to reduce freight rates until 2023 at the earliest.

Freight Forwarding Market in India:

Growth in international trade is providing huge impetus to the demand for freight forwarding in India. Furthermore, Intercontinental trade is expected to witness considerable growth in next five years. Freight forwarding sector in India has witnessed a significant growth due to robust economic growth. Key economic indicators including 100% FDI in logistics shows a healthy economic outlook for India. Post global slowdown freight forwarding companies have started to venture out into high end logistics solutions. Freight companies will benefit from the considerable planned investments in transportation infrastructure in India. Indian freight forwarding companies are now becoming competitive like their foreign counterparts.

Turnaround story of NVOCC (Non-Vessel Operating Common Carrier):

The shift in the shipping & logistics industry towards automation and digitization like application of AI, IoT, cloud computing in the operational line will be the key driving factor that will revive the NVOCC from its current allied state. With the application of modern tech, transparency and accountability will come into play, and with it the trust and reliance of the clients on the NVOCC firms is expected to drive the market.

The logistics industry, considered to be the lifeline of the country, holds unprecedented importance as it connects various markets, suppliers and customers dotted across the country, and has now been firmly embedded as an integral part of the national GDP value chain.

Going forward, constant technological advancements, integration of biometrics, GPS and drone delivery are highly anticipated to become the new normal for the logistics industry. Further, the amalgamation of supply and demand-side and the rapid proliferation of trade agreements will significantly drive growth in the near future.

With the rapid expansion of the e-commerce business, trade activities have expanded, necessitating the need for a systematic supply chain and logistics to provide smooth end-to-end transfer of goods has resulted in the expansion of the Freight Forwarding Market. Technological improvements like The Internet of Things (IoT) in freight forwarding systems have transformed the industry. As the freight forwarding market is growing steadily and there exists abundant opportunity, the players need to embrace technologies, become more digitized, and increase the scale and efficiency of their operations. The freight forwarding market is expected to record a CAGR of more than 3.6% during the forecast period (2022 - 2027).

The deeper penetration into Bharat (Tier II, III & IV towns), economy enhancing initiatives, GST implementation and other initiatives such as Make in India, Digital India and soon to be released National Logistics Policy, all hold a promise for an efficient and integrated logistics industry in the days ahead. The Indian logistics sector provides livelihood to more than 22 million people and improving the sector will facilitate 10% decrease in indirect logistics cost leading to the growth of 5 to 8% in exports.

Lancer Container operates in the NVOCC, Bulk Liner and Freight Forwarding industry which caters to multiple sectors as well as individual customers by providing time definite services. Logistics services are used for various products such as securitized documents, electronic products, automotive components, temperature-controlled shipments, trade samples, lifesaving drugs, mobile phones, etc.

Strengths and Opportunities

- As large corporations now prefer to focus on their core business activities, supply chain distribution gets outsourced to intermediaries. This has resulted in a demand for freight forwarders, who operate in a highly cost-effective manner.
- The E-commerce market is experiencing rapid growth. Along with deliveries, there are also innumerable returns required to be catered efficiently by E-commerce partners. Here, technology plays a crucial role in efficiently integrating the inventory management system with the E-commerce platforms. This area will be very critical for all industries because having a smooth returns/recycle logistics system will be necessary in order to comply with ESG norms.
- The consumer base of the sector, encompassing a wide range of industries including retail, automobile, telecom, pharmaceuticals, heavy industries, etc. attracts investments for the logistics industry.
- Lancer is committed to retaining its position as a key player through focused customer acquisition and enhancement of customer loyalty while continuing to expand to new markets. The strategy revolves around sector focus, emerging markets and MSMEs.
- Company's resilient business model with multiple drivers of profitable growth will drive the revenue.
- Company has penetrated into new geographies, mainly covering the European and Mediterranean region and in the same endeavor the company has set up a branch in the UK and Incorporated a Wholly Owned Subsidiary named LANCIA SHIPPING L.L.C in Dubai as it also seeks to explore these markets more aggressively and reducing dependence on local agents to garner the business.

- Company's key services include Projects, Break Bulk operations, Freight forwarding services, Less than Container Load (LCL) and Full Container Load (FCL).
- Company is having an extensive network of agents throughout LATAM, and Lancer also holds an agreement with multiple South American freight forwarders from Mexico to Argentina which in turn result to global outreach.

Risks and Threats

- Port congestion might continue to significantly slow the circulatory movement of ships, containers, and other transport assets including chassis which in turn removing capacity, lengthening transit times, and forcing shipping rates much higher.
- The cost of operating at major ports has significantly increased after their privatization without any improvement in services or differentiators. The problem of insufficient container parking bays, truck docking stations, limited space for terminals and clearance processes leading to a delay impacting operating costs persists.
- Any movement in the functional currency of operations of the Company against the major foreign currency may impact the Company's revenue in international business. Any weakening of the functional currency may impact Company's cost of imports and consequently the profit or loss.

CAUTIONARY STATEMENT

The statement forming part of this Report may contain certain forward looking remarks with the meaning of applicable Securities Law and Regulations. Many factors could cause the actual results, performances, or achievements of the Company to be materially different from any future results, performances, or achievements. Significant factors that could make a difference to the Company's operations include domestic and international economic conditions, changes in government regulations, tax regime and other statutes.

Financial Statements

INDEPENDENT AUDITOR'S REPORT

To
The Members of Lancer Container Lines Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Lancer Container Lines Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

KEY AUDIT MATTER	RESPONSE TO KEY AUDIT MATTER
<p>1. Accuracy of Revenues, Expenses & related Trade Receivables and Payables with Overseas Agents: The main line of business of the company is Ocean transport services of intermodal containers by container ships (NVOCC – Non Vessel Operating Common Carrier). While in India the services are rendered and revenue collected through the head office and branch network, the delivery of shipping services at overseas destinations is achieved through agency arrangements with Overseas Agents, who are selected based on the assessment of their track record & market feedback. Under the agency agreement, these agents are required to ensure handling of containers arriving at their respective locations and collect revenue due at their destination and effect any local payments due for handling of the containers. The collections and payments are accounted for at a movement level in a Statement of Account and payments in foreign currency are made or received by the company.</p>	<p>Audit Procedure adopted: We assessed the process followed by the company to track and record such transactions with Overseas agents. Our evaluation was done on the following lines:</p> <ul style="list-style-type: none"> • Evaluated the process followed by the company for recording the revenues and expenses against the container movement and the checks and balances thereon. • Examined the Agency agreements entered into by the company. • Selected sample transactions with overseas agents based on materiality. • Examined the details of Revenue, Expenditure recorded in comparison with the Agency agreements and the accuracy thereon. <p>Conclusion The company follows a practice of exchanging the Statement of Accounts with each overseas agent and obtaining sign-off. Booking of revenue is done after obtaining confirmation from the Overseas agent which is normally received. Given the diverse regulations, procedures and documentation applicable at each agent's location, time zone differences, the confirmations of certain locations and or agents are received with a lag. Materially outstanding balances, if any, with overseas agents are reviewed on regular basis. Our procedures did not identify any material exceptions in this process. We validated the appropriateness of the related disclosures in note no of 36 of the financial statements.</p>

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material mis-statement.
- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.
- (h) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

Annexure “A” to the Auditor’s Report

Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report the members of Lancer Container Lines Limited of even date

- (i) (a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
- B) The Company has maintained proper records showing full particulars of intangible assets;
- (b) As explained to us, the Property, Plant and Equipment have been physically verified by the management at reasonable intervals during the year, which in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification;
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company;
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year;
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder;
- (ii) (a) As explained to us, physical verification of inventory has been conducted at reasonable intervals by the management and, in our opinion, the coverage and procedure of such verification by the management is appropriate; no discrepancies of 10% or more in the aggregate for each class of inventory were noticed;
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during any point of time of the year, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. However since the said facility is against fixed deposits with banks, quarterly returns or statements are not required to be filed by the company with such banks and hence the question of its agreement with the books of accounts of the company does not arise.
- (iii) The Company has granted unsecured loans to its subsidiaries details of the loan is stated in sub-clause (a) below;
- (a) Loans granted to subsidiary Companies:
- (A) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted loans to subsidiaries

Particulars	₹ in lakhs
The aggregate amount during the year	524.31
Balance outstanding at the balance sheet date	324.31

- (B) The company has not granted any loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates.

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and based on the audit procedures conducted by us, as the loans are repayable on demand and interest free, the question of schedule of repayment of principal and payment of interest thereon does not arise;
- (d) As the interest free loans are repayable on demand there is no amount overdue and the company is not required to take any steps for recovery of the principal;
- (e) As the loans are repayable on demand the question of renewing or extending fresh loans to settle the overdues of existing loans does not arise;

- (f) The company has granted loans or advances in the nature of loans which are repayable on demand and without specifying any period of repayment, the aggregate amount, percentage thereof to the total loans granted are as under:

Loans granted to subsidiary Companies:

Particulars	₹ in lakhs	percentage there of to the total loans granted
The aggregate amount during the year	524.31	100%
Balance outstanding at the balance sheet date	324.31	100%

- (iv) According to the information and explanations given to us and based on the audit procedures conducted by us, as the wholly owned subsidiaries to whom loans have been given have utilised the said amount for their principal business activities, the company is not required to comply with the provisions of section 185 of the Companies Act 2013 and the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.
- (v) The Company has not accepted any deposits and hence the directives issued by the Reserve Bank of India and the provisions of the sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not required to be complied with by the Company. Accordingly, paragraph 3(v) of the order is not applicable.
- (vi) The Maintenance of cost records has not been specified by the Central Government under sub-section 1 of the section 148 of the Act for any of the services by the Company. Accordingly, paragraph 3(vi) of the order is not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including goods and service tax, provident fund, employees state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities and no undisputed amounts payable were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues outstanding of goods and service tax, provident fund, employees state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues on account of dispute which have not been deposited with the concerned authorities;
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no transactions that are not recorded in the books of accounts in respect of surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961);
- (ix) (a) In our opinion and according to the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to a bank and financial institution;
- (b) The company is not a declared wilful defaulter by any bank or financial institution or other lender;
- (c) The term loans were applied for the purpose for which the loans were obtained;
- (d) The funds raised on short term basis have not been utilised for long term purposes;
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies;
- (x) (a) According to the information and explanations given to us, and based on our examination of the records of the Company, the company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year; Accordingly, paragraph 3(x)(a) of the order is not applicable.
- (b) According to the information and explanations given to us, and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, paragraph 3(x)(b) of the order is not applicable.
- (xi) (a) In our opinion and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year. Accordingly, paragraph 3(xi) of the order is not applicable.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government
- (c) No complaints have been received from a whistle blower during the year by the company.

- (xii) In our opinion and according to the information and explanations given to us, the company is not a Nidhi company. Accordingly, paragraph 3(xii) of the order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and the details of the same have been disclosed in the financial statements as required by the applicable accounting standards;
- (xiv) (a) The company has an internal audit system commensurate with the size and nature of its business;
(b) The reports of the Internal Auditors for the period under audit were considered by us;
- (xv) According to the information and explanations given to us, and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the order is not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-1A of the Reserve Bank of India, 1934 (2 of 1934). Accordingly, paragraph 3(xvi) of the order is not applicable.
(b) The company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934;
(c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India;
- (xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year;
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report and the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“The Act”)

We have audited the internal financial controls over financial reporting of Lancer Container Lines Limited (“the company”) as at 31st March, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, materials misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements for the year ended 31st March, 2022

1. Corporate information

The Company was incorporated on 7th March, 2011 as a Private Limited company limited by shares. It was converted in Public Limited company on 16th July 2015. It has its Registered office in Navi Mumbai, Maharashtra, India. The company is engaged in the business of Freight Forwarding, Clearing and Forwarding, Non Vessel Operating Common Carrier and Trading in Containers and related activities. The company offers its services across India and to other countries.

The financial statements for the year ended March 31, 2022 were approved by the Board of Directors and authorised for issue on May 20, 2022.

2. Significant accounting policies

The financial statements have been prepared on the following basis:

2.1 Basis of accounting and preparation of financial statements

These financial statements have been prepared in accordance with Ind AS as prescribed under section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time.

These financial statements have been prepared on a historical cost basis, except following assets and liabilities which have been measured at fair value:

- (i) Defined Benefit plans-plan assets

Up to the year ended March 31, 2018, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.

2.2 Use of estimates

The preparation of the financial statements are in conformity with Ind AS requires the Management to make estimates, judgement and assumptions. These estimates, judgement and assumption affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.3 Revenue recognition

Sales of goods are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sale of goods is net of Indirect taxes, returns and discounts.

Interest income from a financial asset is recognised using effective interest rate method. Dividend income is accounted for when the right to receive the payment is established.

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Other income is accounted for on accrual basis except where the receipt of income is uncertain in which case it is accounted for on receipt basis.

2.4 Inventories (For Trading)

Inventories of Containers are valued at lower of Cost and net realisable Value. Cost Comprises all cost of purchase and other cost including customs duty incurred in bringing inventories to their present location and condition.

2.5 Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition net of recoverable taxes, trade discount and rebates including any cost, directly attributable to bringing the assets to their working condition for its intended use, net charges on foreign exchange arising from exchange rate variations attributable to the assets less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Capital Work in Progress if any, are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.6 Depreciation /Amortisation and useful lives of property, plant and equipment/intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

2.7 Foreign Currency Transactions and Translation

Transactions denominated in the foreign currencies are recorded at the exchange rate prevailing on the date of transaction or that approximates the actual rate at the date of the transaction.

The monetary assets and liabilities denominated in the foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Any income or expense on account of exchange difference either on settlement on translation is recognised in the Statement of profit and loss except in the case the long term liabilities, if any, where they relate to the acquisition of the fixed assets, in which case they are adjusted to the carrying amount of such assets.

2.8 Employees Benefits

Defined Contribution Plans

Provident Fund are defined contribution schemes established under a State Plan. The contributions to the schemes are charged to the statement of profit and loss in the year when the contributions become due.

Defined Benefit Plans

The company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on post employment at 15 days salary (last drawn salary) for each completed year of services as per the Payment of Gratuity Act, 1972. The aforesaid liability is provided for on the basis of an actuarial valuation made using Project Unit Credit Method at the end of the financial year. The scheme is funded with an insurance company in the form of a qualifying insurance policy. Actuarial gains/losses are recognized in statement of profit and loss in the year in which they arise.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

2.9 Borrowing Cost

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes substantial period of time to get ready for its intended use.

All other borrowing costs are recognised as expense in the period in which they are incurred.

2.10 Fair value Measurement:

Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these financial statements is determined in such basis except for transactions in the scope of Ind AS 2, 17 and 36. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A Fair value measurement of a non-financial asset takes in to account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (Unadjusted) market prices and active market for identical assets and liabilities.
- Level 2 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by the re assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a. Financial assets:

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss. When transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognised in Statement of Profit and Loss and in other cases spread over life of the financial instrument using effective interest method.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial asset measured at amortised cost
- Financial asset at fair value through OCI
- Financial assets at fair value through profit or loss

Financial assets measured at amortised cost

Financial assets are measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding. These financial assets are amortised using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss in finance costs.

Financial assets at fair value through OCI (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On derecognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in OCI is reclassified to income statements.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset that does not meet the criteria for classification as at amortised cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognised in the Statement of profit and loss.

De-recognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds receivables.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model on the following:

- a) Financial assets that are measured at amortised cost.
- b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

ECL is measured through a loss allowance on a following basis: -

- a) The twelve month expected credit losses (expected credit losses that result from all possible default events on the financial instruments that are possible within twelve months after the reporting date)
- b) Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The company follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Company to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

Impairment loss allowance (or reversal) recognised during the period is recognised as expense/income in the statement of profit and loss.

b. Financial liabilities and equity instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

The Company's financial liabilities include loans and borrowings including book overdraft, trade payable, accrued expenses and other payables.

Initial Recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortised cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the "Expenditure Attributable to Construction" if another standard permit inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the effective rate of interest.

Subsequent measurement

Subsequent measurement of financial liabilities depends upon the classification as described below: -

Financial Liabilities classified at Amortised Cost:

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are integral part of the Effective Interest Rate. Interest expense that is not capitalised as part of cost of assets is included as Finance costs in the Statement of Profit and Loss.

Financial Liabilities at Fair value through profit and loss (FVTPL)

FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities have not been designated upon initial recognition at FVTPL.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged/cancelled/expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognised amounts and there is intention to settle on a net basis, to realise assets and settle the liabilities simultaneously.

2.12 Earnings per share

Basic Earnings per share is computed by dividing the profit from continuing operations and total profits, both attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period, except where the results would be anti-dilutive.

2.13 Income Tax Expenses

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to the items recognised directly in equity or in other comprehensive income.

Current tax

Current tax includes provision for Income Tax computed under special provision (i.e. Minimum Alternate Tax) or normal provision of Income Tax Act provisions. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities on the basis of estimated taxable Income. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are recognised for all temporary differences that are expected to increase taxable profit in the future. Deferred tax assets are recognised for all temporary differences that are expected to reduce taxable profit in the future, and any unused tax losses or unused tax credits. Deferred tax assets are measured at the highest amount that, on the basis of current or estimated future taxable profit, is more likely than not to be recovered. The net carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to the income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.14 Impairment of Assets non-financial assets - property, plant and equipment and intangible assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.15 Leases

Till 31st March 2019 all leases were classified as operating leases. Rental expenses from operating lease was recognised on a straight line basis over the term of the relevant lease.

From 1st April 2019 the company has applied Ind AS 116 'Leases' for assets acquired during the year on lease. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying asset.

- a) Right-of-use assets are measured at cost comprising the following:
 - i) the amount of the initial measurement of lease liability
 - ii) any initial direct costs

Right-of-use assets are depreciated over the lease term on a straight-line basis.

- b) Lease Liabilities are measured at present value of fixed payments.

Incremental borrowing rate used for discounting has been determined by taking the interest rates obtained from financial institutions for borrowings for similar value of right of use of asset. In case of financial leases, lease liability is measured using implicit rate.

The company applies the short term lease recognition exemption to its short term lease contracts (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not and do not contain a purchase option). Lease payments on a short term leases are recognised as expense on a straight-line basis over the lease term.

2.16 Provisions and Contingent Liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and commitments are not recognised but are disclosed in the notes. Contingents assets are neither recognised nor disclosed in the financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

40. a) Difference of Freight amount collected in Indian Rupees from the consignees and remittances made in foreign currencies are on the basis of information/data exchanged
- b) Exchange rate difference on certain transactions settled during the year are net difference of freight amount collected from shippers and remittance made their against.
41. Period end Balances of payables/receivables of the parties which are subject to confirmation/ reconciliation impact of which on the Profit/Loss and on the Assets/Liabilities, if any, is not ascertainable, however, management does not foresee any material differences arising in future. On reconciliation / settlement of such accounts, resultant short / excess balances are transferred to 'Sundry balances written off / back accounts' in the year of reconciliation / settlement."
42. Dividends paid during the year ended March 31, 2022 include an amount of ₹ 0.5 per equity share excluding promoter shareholders towards dividend for the year ended March 31, 2021.
43. The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020, and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
44. Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

45. Financial risk management

The Company's activities are exposed to a variety of market risk (including foreign currency risk and interest risk), credit risk and liquidity risk. The Company's overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

i. Market Risk

Market rate is the risk that arises from changes in market prices, such as commodity prices, foreign exchange rates, interest rates etc. and will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising returns.

a. Commodity Price Risk

Commodity price risk arises due to fluctuations in prices of raw materials and other products. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs.

b. Interest Rate Risk

The company's exposure to the risk of changes in market interest rate relates to the floating the debt obligations.

c. Foreign Currency Exchange Rate Risk

The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit & Loss, where transaction references more than one currency or where assets/liabilities are denominated in currency other than functional currency of the entity. Considering the countries and economic development in which Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risk primarily relates to fluctuations in US Dollar.

Any movement in the functional currency of operations of the Company against the major foreign currency may impact the Company's revenue in international business. Any weakening of the functional currency may impact Company's cost of imports and consequently the profit or loss.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risk.

ii. Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in a loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

The Company performs ongoing credit evaluation of its counterparties' financial conditions. The Company's major classes of financial assets are cash and bank balances, trade receivables, Security deposits, Advances to Suppliers and Employees and prepayments.

As at the reporting date, the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statements of financial position.

As at the reporting date, substantially all the cash and bank balances as detailed in Note 9 to the financial information are held in major Banks which are regulated and located in the India, which management believes are of high credit quality. The management does not expect any losses arising from non-performance by these counterparties.

As at 31 March 2021, the Company's outstanding trade receivables over-due for a period exceeding 180 days is 12.57% of total trade receivables.

iii. Liquidity Risk

Liquidity risk arises from the Company's management of working capital. It is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due.

The Company has obtained fund based and non-fund based working capital credit facility from a bank. Company's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities when they become due. The principal liabilities of the Company arise in respect of the trade and other payables. Trade and other payables are all payable within 12 months.

The Company manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowing facilities by continuously monitoring forecasts and actual cash flows.

The Company has a system of regularly forecasting cash inflows and outflows and all liquidity requirements are planned.

Forecast for trade and other payables is regularly monitored to ensure timely funding.

All payments are made within due dates subject to availability of funds.

iv. Capital Risk Management

The Company manages its capital to ensure that the Company will be able to maintain an optimal capital structure so as to support its businesses.

46. Additional Regulatory Information**a) Ratios**

Ratio	Numerator	Denominator	Current year	Prvious year	% increase/ decrease	Explanation*
Current ratio (in times)	Total current assets	Total current liabilities	1.12	1.04	7.43	
Debt-Equity ratio (in times)	Debt consists of borrowings and lease liabilities	Total equity	0.60	0.71	-15.65	
Debt service coverage ratio (in times)	Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses + Interest + Other non-cash adjustments	Debt service = Interest and lease payments + Principal repayments	3.01	1.55	93.55	The increase in this ratio is on account of increase in profit in current year by 208.88% as compared to previous years
Return on equity ratio (in %)	Profit for the year less Preference dividend (if any)	Average total equity	0.48	0.22	112.47	The increase in this ratio is on account of increase in profit in current year by 208.88% as compared to previous years and correspondingly issue of bonus shares in the ratio of 1:2 during the current year
Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	15.28	12.92	18.27	
Trade payables turnover ratio (in times)	Cost of Materials Traded/Cost of Services Rendered + Other expenses	Average trade payables	9.36	8.47	10.49	

Net capital turnover ratio (in times)	Revenue from operations	Average working capital (i.e. Total current assets less Total current liabilities)	94.03	-513.70	-118.30	During the current year there is an increase in revenue from operations by 98.76% as compared to previous financial year leading to a corresponding increase in current assets.
Net profit ratio (in %)	Profit for the year	Revenue from operations	0.05	0.03	55.40	The increase in this ratio is on account of increase in profit in current year by 208.88% as compared to previous years and increase in revenue from operations by 98.76% as compared to previous financial year
Return on capital employed (in %)	Profit before tax and finance costs	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	0.45	0.28	58.92	The increase in this ratio is on account of increase in profit in current year by 208.88% as compared to previous years and correspondingly issue of bonus shares in the ratio of 1:2 during the current year
Return on investment (in %)	Income generated from invested funds	Average invested funds in investments	0.04	0.05	-2.67	

* explanation is provided for any change in the ratio by more than 25% as compared to the preceding year.

- b) The company has not entered into any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956
- c) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries). The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- d) The Company does not have any Benami property or any proceeding is pending against the Company for holding any Benami property.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Lancer Container Lines Limited
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Lancer Container Lines (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the consolidated balance sheet as at 31st March 2022, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March 2022, of its consolidated profit and other comprehensive loss, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

KEY AUDIT MATTER	RESPONSE TO KEY AUDIT MATTER
<p>1. Accuracy of Revenues, Expenses & related Trade Receivables and Payables with Overseas Agents:</p> <p>The main line of business of the company is Ocean transport services of inter modal containers by container ships (NVOCC – Non Vessel Operating Common Carrier). While in India the services are rendered and revenue collected through the head office and branch network, the delivery of shipping services at overseas destinations is achieved through agency arrangements with Overseas Agents, who are selected based on the assessment of their track record & market feedback. Under the agency agreement, these agents are required to ensure handling of containers arriving at their respective locations and collect revenue due at their destination and effect any local payments due for handling of the containers. The collections and payments are accounted for at a movement level in a Statement of Account and payments in foreign currency are made or received by the company.</p>	<p>Audit Procedure adopted:</p> <p>We assessed the process followed by the company to track and record such transactions with Overseas agents. Our evaluation was done on the following lines:</p> <ul style="list-style-type: none"> • Evaluated the process followed by the company for recording the revenues and expenses against the container movement and the checks and balances thereon. • Examined the Agency agreements entered into by the company. • Selected sample transactions with overseas agents based on materiality. • Examined the details of Revenue, Expenditure recorded in comparison with the Agency agreements and the accuracy thereon. <p>Conclusion</p> <p>The company follows a practice of exchanging the Statement of Accounts with each overseas agent and obtaining sign-off. Booking of revenue is done after obtaining confirmation from the Overseas agent which is normally received. Given the diverse regulations, procedures, and documentation applicable at each agent's location, time zone differences, the confirmations of certain locations and or agents are received with a lag. Materially outstanding balances, if any, with overseas agents are reviewed on regular basis. Our procedures did not identify any material exceptions in this process. We validated the appropriateness of the related disclosures in note no of 35 of the consolidated financial statements.</p>

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial

statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision, and performance of the audit of the Financial Statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other Companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters.

We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets (before consolidation adjustments) of Rs.0.46 crore as at 31st March 2022, total revenues (before consolidation adjustments) of Rs. Nil and net cash inflows (before consolidation adjustments) amounting to Rs. Nil for the year ended on that date, as considered in the Consolidated Financial Statements. This Subsidiary is located outside India whose financial statements have not been audited by us or by other auditors. These unaudited financial statements have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/ financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate Financial Statements of subsidiary incorporated in India, referred in the Other Matters paragraph above we report to the extent applicable that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- The Consolidated Balance Sheet, Consolidated the Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
- In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act.
- On the basis of the written representations received from the directors of the Parent as on 31st March 2022 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigations which would impact its financial position.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding and its subsidiary companies incorporated in India.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material mis-statement.
 - v. The dividend declared or paid during the year by the Holding Company is in compliance with section 123 of the Act.
- h) With respect to the matter to be included in the Auditors' report under Section 197(16) of the Act:
- In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph (F) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“The Act”)

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2022, we have audited the internal financial controls over financial reporting of LANCER CONTAINER LINES LIMITED (hereinafter referred to as “Company” or “the Parent”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting of the parent, its subsidiary companies which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors of the subsidiary companies which are companies incorporated in India, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the parent, its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company’s internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2022

1. Corporate information

Lancer Container Lines Limited and its subsidiaries are engaged in the business of Freight Forwarding, Clearing and Forwarding, Non Vessel Operating Common Carrier and Trading in Containers and related activities. The group offers its services across India and to other countries.

The financial statements for the year ended March 31, 2022 were approved by the Board of Directors and authorised for issue on May 20, 2022.

2. Significant accounting policies

The financial statements have been prepared on the following basis:

2.1 Basis of accounting and preparation of financial statements

These financial statements have been prepared in accordance with Ind AS as prescribed under section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

These financial statements have been prepared on a historical cost basis, except following assets and liabilities which have been measured at fair value:

- (i) Defined Benefit plans-plan assets

Up to the year ended March 31, 2018, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.

2.2 Use of estimates

The preparation of the financial statements are in conformity with Ind AS requires the Management to make estimates, judgement and assumptions. These estimates, judgement and assumption affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.3 Revenue recognition

Sales of goods are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sale of goods is net of Indirect taxes, returns and discounts.

Interest income from a financial asset is recognised using effective interest rate method. Dividend income is accounted for when the right to receive the payment is established.

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Other income is accounted for on accrual basis except where the receipt of income is uncertain in which case it is accounted for on receipt basis.

2.4 Inventories (For Trading)

Inventories of Containers are valued at lower of Cost and net realisable Value. Cost Comprises all cost of purchase and other cost including customs duty incurred in bringing inventories to their present location and condition.

2.5 Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition net of recoverable taxes, trade discount and rebates including any cost, directly attributable to bringing the assets to their working condition for its intended use, net charges on foreign exchange arising from exchange rate variations attributable to the assets less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Capital Work in Progress if any, are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.6 Depreciation /Amortisation and useful lives of property, plant and equipment/intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

2.7 Foreign Currency Transactions and Translation

Transactions denominated in the foreign currencies are recorded at the exchange rate prevailing on the date of transaction or that approximates the actual rate at the date of the transaction.

The monetary assets and liabilities denominated in the foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Any income or expense on account of exchange difference either on settlement on translation is recognised in the Statement of profit and loss except in the case the long term liabilities, if any, where they relate to the acquisition of the fixed assets, in which case they are adjusted to the carrying amount of such assets.

2.8 Employees Benefits

Defined Contribution Plans

Provident Fund are defined contribution schemes established under a State Plan. The contributions to the schemes are charged to the statement of profit and loss in the year when the contributions become due.

Defined Benefit Plans

The company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on post employment at 15 days salary (last drawn salary) for each completed year of services as per the Payment of Gratuity Act, 1972. The aforesaid liability is provided for on the basis of an actuarial valuation made using Project Unit Credit Method at the end of the financial year. The scheme is funded with an insurance company in the form of a qualifying insurance policy. Actuarial gains/losses are recognized in statement of profit and loss in the year in which they arise.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

2.9 Borrowing Cost

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes substantial period of time to get ready for its intended use.

All other borrowing costs are recognised as expense in the period in which they are incurred.

2.10 Fair value Measurement:

Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these financial statements is determined in such basis except for transactions in the scope of Ind AS 2, 17 and 36. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A Fair value measurement of a non-financial asset takes in to account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (Unadjusted) market prices and active market for identical assets and liabilities.
- Level 2 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by the re assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a. Financial assets:

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss. When transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognised in Statement of Profit and Loss and in other cases spread over life of the financial instrument using effective interest method.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial asset measured at amortised cost
- Financial asset at fair value through OCI
- Financial assets at fair value through profit or loss

Financial assets measured at amortised cost

Financial assets are measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding. These financial assets are amortised using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss in finance costs.

Financial assets at fair value through OCI (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On derecognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in OCI is reclassified to income statements.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset that does not meet the criteria for classification as at amortised cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired

for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognised in the Statement of profit and loss.

De-recognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds receivables.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model on the following:

- a) Financial assets that are measured at amortised cost.
- b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

ECL is measured through a loss allowance on a following basis: -

- a) The twelve month expected credit losses (expected credit losses that result from all possible default events on the financial instruments that are possible within twelve months after the reporting date)
- b) Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The company follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Company to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

Impairment loss allowance (or reversal) recognised during the period is recognised as expense/income in the statement of profit and loss.

b. Financial liabilities and equity instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

The Company's financial liabilities include loans and borrowings including book overdraft, trade payable, accrued expenses and other payables.

Initial Recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortised cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the "Expenditure Attributable to Construction" if another standard permit inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the effective rate of interest.

Subsequent measurement

Subsequent measurement of financial liabilities depends upon the classification as described below: -

Financial Liabilities classified at Amortised Cost:

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are integral part of the Effective Interest Rate. Interest expense that is not capitalised as part of cost of assets is included as Finance costs in the Statement of Profit and Loss.

Financial Liabilities at Fair value through profit and loss (FVTPL)

FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities have not been designated upon initial recognition at FVTPL.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged/cancelled/expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognised amounts and there is intention to settle on a net basis, to realise assets and settle the liabilities simultaneously.

2.12 Earnings per share

Basic Earnings per share is computed by dividing the profit from continuing operations and total profits, both attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period, except where the results would be anti-dilutive.

2.13 Income Tax Expenses

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to the items recognised directly in equity or in other comprehensive income.

Current tax

Current tax includes provision for Income Tax computed under special provision (i.e. Minimum Alternate Tax) or normal provision of Income Tax Act provisions. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities on the basis of estimated taxable income. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are recognised for all temporary differences that are expected to increase taxable profit in the future. Deferred tax assets are recognised for all temporary differences that are expected to reduce taxable profit in the future, and any unused tax losses or unused tax credits. Deferred tax assets are measured at the highest amount that, on the basis of current or estimated future taxable profit, is more likely than not to be recovered. The net carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to the income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable

income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.14 Impairment of Assets non-financial assets - property, plant and equipment and intangible assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.15 Leases

Till 31st March 2019 all leases were classified as operating leases. Rental expenses from operating lease was recognised on a straight line basis over the term of the relevant lease.

From 1st April 2019 the company has applied Ind AS 116 'Leases' for assets acquired during the year on lease. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying asset.

a) Right-of-use assets are measured at cost comprising the following:

- i) the amount of the initial measurement of lease liability
- ii) any initial direct costs

Right-of-use assets are depreciated over the lease term on a straight-line basis.

b) Lease Liabilities are measured at present value of fixed payments.

Incremental borrowing rate used for discounting has been determined by taking the interest rates obtained from financial institutions for borrowings for similar value of right of use of asset. In case of financial leases, lease liability is measured using implicit rate.

The company applies the short term lease recognition exemption to its short term lease contracts (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not and do not contain a purchase option). Lease payments on a short term leases are recognised as expense on a straight-line basis over the lease term.

2.16 Provisions and Contingent Liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and commitments are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

Notes forming part of the consolidated financial statements for the year ended 31st March, 2022

44. Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

45. Financial risk management

The Company's activities are exposed to a variety of market risk (including foreign currency risk and interest risk), credit risk and liquidity risk. The Company's overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

i. Market Risk

Market rate is the risk that arises from changes in market prices, such as commodity prices, foreign exchange rates, interest rates etc. and will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising returns.

Market rate is the risk that arises from changes in market prices, such as commodity prices, foreign exchange rates, interest rates etc. and will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising returns.

a. Commodity Price Risk

Commodity price risk arises due to fluctuations in prices of raw materials and other products. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs.

b. Interest Rate Risk

The company's exposure to the risk of changes in market interest rate relates to the floating the debt obligations.

c. Foreign Currency Exchange Rate Risk

The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit & Loss, where transaction references more than one currency or where assets/liabilities are denominated in currency other than functional currency of the entity. Considering the countries and economic development in which Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risk primarily relates to fluctuations in US Dollar.

Any movement in the functional currency of operations of the Company against the major foreign currency may impact the Company's revenue in international business. Any weakening of the functional currency may impact Company's cost of imports and consequently the profit or loss.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risk.

ii. Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in a loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The Company performs ongoing credit evaluation of its counterparties' financial conditions. The Company's major classes of financial assets are cash and bank balances, trade receivables, Security deposits, Advances to Suppliers and Employees and prepayments.

As at the reporting date, the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statements of financial position.

As at the reporting date, substantially all the cash and bank balances as detailed in Note 9 to the financial information are held in major Banks which are regulated and located in the India, which management believes are of high credit quality. The management does not expect any losses arising from non-performance by these counterparties.

As at 31 March 2021, the Company's outstanding trade receivables over-due for a period exceeding 180 days is 12.57% of total trade receivables.

iii. Liquidity Risk

Liquidity risk arises from the Company's management of working capital. It is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due.

The Company has obtained fund based and non-fund based working capital credit facility from a bank. Company's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities when they become due. The principal liabilities of the Company arise in respect of the trade and other payables. Trade and other payables are all payable within 12 months.

The Company manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowing facilities by continuously monitoring forecasts and actual cash flows.

The Company has a system of regularly forecasting cash inflows and outflows and all liquidity requirements are planned.

Forecast for trade and other payables is regularly monitored to ensure timely funding.

All payments are made within due dates subject to availability of funds.

iv. Capital Risk Management

The Company manages its capital to ensure that the Company will be able to maintain an optimal capital structure so as to support its businesses.
